**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Sir:

The instant application was allowed December 16, 2005. However, the Reasons for Allowance are not commensurate with the scope of the claims.

For example, the reasons for allowance appear to be directed toward claim 8, but not the other independent claims. For instance, claims 15, 33, 46 and 49 do not require a “transparent” insulating film. Moreover, claims 15, 33, 46 and 49 do not require “so that materials and thicknesses thereof of the supplementary capacitance are selected so as to increase transmittance at the wavelength  $\lambda$ .”

Please let me know if you should have any questions.

Respectfully submitted,
